Completing the CPD puzzle – CPD sessions

This year Value Adviser Associates has launched a great way for clients to sharpen skills and increase their confidence and ability to commercially apply knowledge.

In an increasing time poor working environment wouldn't it be great to have an expert come to you and give you and your colleagues a 45 minute session to give you the competitive edge?

Value Adviser Associates offer valuation and advisory services to meet decision management, compliance and transaction advisory needs across a wide range of industries and to both public and private businesses.

CPD topics include:

Valuations in commercial and regulator disputes

- » Measurement issues
- » Methodology vs. application
- » Briefing the expert
- » Ways to reach agreement

Valuations in tax and stamp duty disputes

- » Goodwill in mining companies
- » What is your market view?
- » Recent 'land rich' issues
- » ATO's market value guidelines

Commercial and corporate transaction support

- » Infrastructure investment
- » PPPs
- » M&A and capital raising
- » Debt refinancing

Value Adviser Associates welcomes the opportunity to develop a CPD session that is specifically designed to meet your requirements.

Sessions include:

- » 45 minute session that is sharp and to the point
- » We come to you
- » Relevant and concise topic
- » Interaction session that encourages involvement
- » Supporting material provided for future reference
- » Meet an industry expert and widen your network

Here is what some CPD session participants have said:

"We found it very comprehensive and would be useful if we needed to get a valuation of a business done."

"The feedback after your session was very positive. Everyone enjoyed your presentation style...and found the content valuable and relevant."
