Client drinks

It's not all work, work, work at Value Adviser Associates! On 17 February, Value Adviser Associates hosted its inaugural client drinks. Held at The Spice Market, an intimate gathering of 40 Melbourne-based clients indulged in canapés that complemented the Eastern and Middle Eastern décor of the venue. For a few hours clients and the Melbourne team soaked up the relaxed atmosphere and enjoyed each other's company whilst sipping on 'Purple Valuations' – a cocktail specially designed for the event. One lucky client – Daniel Levy – was able to further indulge their culinary senses, winning a voucher for a meal at Vue du monde.
